<sup>\*</sup> As parent/guardian by signing this Health Care Plan, I authorize designated Sumter County School personnel, Sumter County Health Department School personnel, and any other contracted health care agencies to provide emergency care for my child and/or to share or exchange medical information as necessary to support the education and continuity of care of my child. I also give permission for the Sumter County Schools to share this information with faculty/staff who are directly involved in my child's education.

<sup>\*</sup>Note: 1. Significant changes to the health plan of care requires a new Individual Health Care Plan be completed.

<sup>2.</sup> At the beginning of the 4<sup>th</sup> school year based on the initial date of this plan a new IHCP will be written.
