Dear Parent,

Thank you for your interest in The Villages Charter School. Our School was created to provide a quality education as a benefit to the children of the people who have dedicated themselves to the creation of The Villages.

The Villages Charter School operates by a Charter Agreement approved by the Sumter County Board of Education and the Florida State Department of Education. Unlike traditional county schools, our enrollment criteria are based upon one of the parents/guardians' place of employment rather than the geographic address of their home.

Listed below are the categories of qualifying employment:

**Employment is verified on each new applicant, and will be verified on a monthly basis for all enrolled students.**

**Category I** - Direct employee of any business identified as a Villages Company.

**Category II** - Any Community Development District or Special District over any portion of The Villages and Business Partners under direct contract (other than a lease) with a Villages Company. Business Partners in this Category include those providing construction services, maintenance, or other similar services, or supplying general support services such as legal or accounting within The Villages. Only those employees that are working on Villages Projects qualify. This category must have a direct contract with a Villages Company. The work and/or services provided to the Villages Company must be regular and on-going and that work must be paid for directly from the Villages Company. For businesses who perform regular and on-going services to a Villages Company, but who also performs services for other businesses and residential (non-Villages Company) – only that work provided to and paid for by the Villages Company will be considered as under direct contract, and only those employees performing those services under direct contract work are eligible for the benefits of The Villages Charter School.

**Category III** - Employee of Business Partners who lease directly from a Villages Company or that own a permanent business site purchased directly from The Villages and from which they operate their business within The Villages.

**Category IV** - Business Partners that leases a permanent business site from a non-Villages entity or that purchased a permanent business site from a non-Villages entity, from which they operate their business within The Villages. The Villages Charter School Enrollment Committee will review each applicant in this Category to confirm, in its sole discretion, that the Business Partner participates in and benefits the development of The Villages.

The Villages Charter School shall not discriminate on the basis of race, ethnicity, national origin, gender, or disability. No student shall, on the basis of race, ethnicity, national origin, gender, or disability be excluded from participation in, be denied benefits of, or be subjected to discrimination under any educational program or activity.

Placement is based on the parent's category of employment and priority is given to full-time employment (40 or more hours) versus part-time employment (under 40 hours). Priority is also given to students who have siblings already enrolled in the Villages Charter School.

Enrollment Procedure

We will begin to contact/place new students for the upcoming new school year after the previous school year has ended. Typically, this falls on the first business day after June 1.

Once your employment has been verified and we anticipate that we have space available for your category of employment in the grade level of your child, we will notify you by phone. We will set an appointment for you to meet with the Guidance Clerk at the building where your child will attend. You will need to provide COPIES of your child’s documentation at that meeting. Please DO NOT include these documents with the Pre-Enrollment Eligibility Application that you submit to the Enrollment Office. Wait until you meet with the Guidance Clerk at your child’s building to provide these documents.

You will need to provide COPIES of all listed documentation within one week of your meeting the Guidance Clerk in order to proceed further with the application process. If the requested documentation is not provided to us within one week, the anticipated opening will be offered to an eligible applicant that has provided the necessary documentation.
