The Villages Charter School, Inc. School Board Policy-Eligibility and Enrollment

SECTION V – Individual Loss of Eligibility If an Employee/Parent whose employment at a Villages Company or at a qualifying Business Partner has ended, any Child/Children qualified through that Employee/Parent will immediately become ineligible. Any Child/Children who becomes ineligible may immediately be dismissed. The Employee/Parent may Petition for continued enrollment through the end of the next School Term. Continued enrollment will be at the discretion of the building principal and the Director of Education, based upon a number of criteria, i.e. qualified students on a waiting list, time of year, etc.

Any loss of enrollment eligibility may result in a student re-entering the enrollment matrix at the bottom of their designated Business Category – Employee Category.

SECTION X – Processing Enrollment

Parents who ended the school year on a Continued Enrollment Petition and/or were on a Petition for more than 33% of the school year will be placed after all other currently eligible students are placed. Parents who fail to meet all conditions outlined in Section IX will be placed after all other students are placed.
