Breakfast Program

- A **food component** is one of three required food groups in a reimbursable breakfast. These are fruits, grains, and fluid milk*.
- A **food item** is a specific food offered within the three food components, for example, 2 slices of whole grain-rich bread, 1 cup of grapes, and 1 cup of milk. This meal meets OVS breakfast requirements because three food components and four food items are offered.

Students must select at least three of the four offered food items under OVS at breakfast, including at least ½ cup of fruit and/or vegetable.
