

# The Villages® Charter School

July 10, 2025

The following pages display a quick snapshot of the state assessment scores for The Villages Charter School for the 2024-2025 school year. Page two of this executive summary outlines The Villages Charter School's (VCS) performance compared to the state, surrounding counties and to our performance the previous year (2023-2024). For example, the first assessment (English/Language Arts/ELA) displays the Florida Assessment of Student Thinking (FAST) scores per grade level.

On page two, column A lists the assessment grade level, column B the Florida state average, column C the Sumter County average, column D shows the Lake County Average, column E shows the Marion County average, column F shows the VCS average, column G compares the performance of this year's students at each grade level to the previous year (e.g., how this year's 3<sup>rd</sup> graders did compared to 2023-2024 3<sup>rd</sup> graders), column H compares a cohort group to their own performance last year in a comparable exam (e.g., how this year's 4<sup>th</sup> graders did compared to their own scores on the 3<sup>rd</sup> grade exam last year), and column I displays the score in 2024. Items in columns G & H that are in red indicate scores that were less than the previous year and items in black are increases. Page 3 shows a chart of VCS 2024-2025 performance compared to the Lake, Marion and Sumter counties as well as the state of Florida.
