The faculty and staff of The Villages Charter School are committed to excellence. Our belief is that high expectations produce high results, and we make a daily effort to provide an environment that produces student learning. We all know the most important members of our educational team are our students. You are ultimately responsible for your success. Your responsibility begins with good attendance, participation and preparation, and includes making quality decisions about life. We encourage and emphasize that you claim your education as your own and use it as a tool to achieve your goals and dreams.

You are expected to be an active stakeholder in your education by:

- Attending school daily.
- Being on time to all classes.
- Completing and turning in all assignments.
- Preparing for all tests.
- Staying organized with google classroom and the google calendar.
- Arriving to class with all materials.
- Responsibly using restroom facilities between classes or during lunch.

The Villages Charter School provides a unique privilege for families that have dedicated their lives to The Villages of Lake Sumter, Inc. Our charter schools are schools of choice providing an alternative outlet from traditional educational settings. The expectations of The Villages Charter School, Inc. are reflective of the core values and vision of the larger corporation that we serve. Parents have the opportunity to choose the best educational facility for their children, either within the charter school system or outside our area of influence. The Director of Education of The Villages Charter School, in consultation with building principal(s), has the authority to dismiss students for cause including, but not limited to, failure to maintain eligibility per Board policy or failure to comply with school rules and regulations found in The Villages Charter School's Disciplinary and Attendance Policy. Families who do not meet expectations or are not in alignment with the core ideology may be reassigned to their home school districts. Dismissal and re-enrollment of students who have been previously dismissed is at the discretion of the Director of Education of The Villages Charter School.

### **KNOWLEDGE AND OBSERVATION OF RULES OF CONDUCT**

**Parents/Guardians and students have the responsibility to become informed and observe all the established guidelines for behavior and school procedures.**

## **GUIDELINES FOR STUDENT CONDUCT**

The purpose of behavior guidelines is to ensure an enjoyable, cooperative, respectful, and safe environment for learning. Students at The Villages Charter School (VCS) are responsible for their personal behavior at all times. Members of the school community are expected to be polite and considerate of the rights of others. We feel that you have chosen to attend our school because of our high expectations. Our guidelines allow us to continue providing an environment that is conducive to learning and promotes excellence.

You are expected to cooperate with all teachers and staff members. Student teachers, substitutes, visitors, and volunteers are to be treated with the same respect as teachers and staff. Physical violence and threats are considered to be serious forms of misbehavior and will not be tolerated. Remember, we are members of the same team and we are all here to accomplish the same goal.

A student may be excused from instruction, and/or reciting the pledge of allegiance, including standing and placing the right hand over his or her heart when his/her parent(s), as defined by Florida Statutes, files a written request with the school principal.

All students are expected to abide by the rules established in their classrooms and by the school. Rules are established to ensure a safe climate that promotes learning. When you make choices that compromise the environment established, you should expect appropriate consequences to be assigned. Bullying, harassment, and/or hazing will not be tolerated. All incidents of possible threats, signs or discussions of weapons, signs of gang activity, inappropriate use of technology, or the conditions that might invite or encourage violence MUST be reported to an adult. This may also include, but not be limited to, teasing, name calling, intimidation or spreading of rumors. An informational link on The Villages Charter School website is <http://www.stopbullying.gov>.

The Administration is primarily responsible for any student discipline that is referred to the office and has the authority to assign appropriate consequences. It is our goal to treat you as if you were our own. We realize that all students are individuals with unique circumstances. Every effort will be made to be fair and consistent with your best interests in mind.

Treating school materials with respect is considered stewardship and part of our Core Ideology. It is expected that damaged, lost, or stolen textbooks/library books/Chromebooks/school materials will be replaced at the cost of the parent. VCS is a campus of beautiful facilities provided to run our rigorous school programs. In honoring VCS Core Values, a new policy regarding the misuse of school property including desks, chairs, fixtures, and classroom materials has been adopted. Students who knowingly misuse The Villages Charter School property will receive a disciplinary referral to administration for appropriate assignment of consequences and may include a requirement for restitution of damages.

## **AFTER-SCHOOL PROCEDURES**

The Villages Charter School (VCS) is committed to student safety on the charter school campus. Due to our unique student eligibility policy, whereby students can reside in any county, it is not feasible for VCS to provide transportation to school. Parents are responsible for daily drop-off and pick-up of their children. *PLEASE NOTE: Campus Speed Limit = 15 mph during arrival & dismissal times.*

The Villages Charter School will not accept students who arrive at or depart from school on foot or by bike or scooter at the Buffalo Ridge campus, however, students attending the Middleton campus will be permitted to walk or ride a bike\* or a scooter to and from school within the following guidelines:

- Students in 5th through 12th grade may walk or ride a bike\* or a scooter to or from school.
- Kindergarten through 4th grade students may walk or ride a bike\* or scooter to or from school if accompanied by an approved adult or a sibling in 5th grade or above.
- All students choosing to ride a bike\* or scooter will be required to apply for a K-8 student parking permit and adhere a decal to their vehicle. Applications can be accessed through the “Forms and Documents” section in the Administration tab of tvcs.org, under both the Elementary School and Middle School sections.
- All students traveling on bikes\* or scooters must follow Florida state statutes regarding proper operation and required safety equipment.
- All students must wear helmets when operating bikes\* or scooters.
- Students are only authorized to park their bike\* or scooter in the approved bike rack areas.

\*Permits will be issued for Manual bicycles or pedal-assist e-bikes only.

The use of golf cars on VCS campuses will be allowed for student drop-off and pick-up only by adults or students with a valid “E” Florida drivers’ license. Student drivers and adults coming on campus using a golf car must follow all traffic laws and must use the same car line regulations as all other motor vehicles.

All students will be dismissed through the PikMyKid app. If picking up in a motorized vehicle, assigned PikMyKid numbers should be visible in the windshield. Students designated as walkers/bikers in PikMyKid must report to either the 6th grade or 7th/8th grade designated staff member. It is **imperative**, for the safety of our students, that parents update PikMyKid with their child’s approved dismissal arrangement: carline, walk/bike, aftercare.

It is strongly recommended that students and parents discuss after-school pick-up arrangements **before arriving at school each day**. If circumstances require changes to be made, **parents may call the school office before 2:00 pm** to leave a message. The PIKMYKID app becomes active each day at 2:35 for the purpose of entering students’ numbers. Should the need arise to pick up students early from school, please avoid picking up students between 2:35 and 2:55 pm. Upon the completion of school each day, it is expected that students will remain in their 7th period classes until their number is displayed indicating they should report to their grade level carline. Students not dismissed to car line will report to one of the following locations immediately following the announcement to do so: athletic practice or Buffalo Adventures aftercare program until checked out. Students not picked up in carline will be admitted to the Buffalo Adventures after-care program and appropriate fees will apply. The PIKMYKID process will continue to be used by parents/guardians to communicate to the Buffalo Adventures staff that they have arrived to pick up their student(s). Middle school students not attending **Buffalo Adventures aftercare program must be accompanied by a parent when attending after-school athletic events**.

#### **MIDDLETON ONLY**

- Students 5th through 12th grade may walk or ride a bike\* or scooter to or from school.
- Kindergarten through 4th grade students may walk or ride a bike\* to or from school if accompanied by an approved adult or a sibling in 5th grade or above.

- Students walking or riding a bike\* or scooter will not be permitted to leave the building prior to dismissal time unless they are checked out with a parent who picks up the student.
- Parents, approved adults, or grade 5 and above siblings walking their student/sibling from school should meet the student at a Buffalo Gathering Spot.
- Pets brought to campus for the purpose of dropping off or picking up students must remain in the vehicle at all times.
- Students indicated as walkers in PIKMYKID who walk, ride a bike\* or scooter, may not remain on campus after dismissal unless enrolled in a Buffalo Adventures activity or on an official roster for a VCMS sports team.
- Students returning to campus after dismissal for any reason other than a Buffalo Adventures activity or being required to attend an official school-sponsored activity must be accompanied by an adult.
  - K-8 students are not permitted to attend any after school events (sports or performances) as a spectator without an adult accompanying them.
- Programs are provided to keep students safe after school hours who remain on campus due to parents' employment hours. Students at the high school are to be enrolled in the BASE program. Students at the elementary and middle school building are to be enrolled in Buffalo Adventures. Students remaining on campus for an academic session or school-sponsored activity, and picked up by parents afterward do not have to enroll in Buffalo Adventures.

\*Permits will be issued for Manual bicycles or pedal-assist e-bikes only.

#### **Buffalo Adventures Walkers/Bike Riders- Middleton Campus**

- When carline ends, remaining students in grades K-8 will join the Buffalo Adventures aftercare programs for supervised snack and homework time with optional services that include various extracurricular activities, intramurals, sports, clubs, childcare, and much more.
- Buffalo Adventures services are available until 6:30 PM at a fee of \$8.00 per day.
- Buffalo Adventures elementary students approved to walk or ride their bike home after activities will be taken to a designated Buffalo Gathering Spot.
- Parents must change the Pickup mode in the PikMyKid app to a time-specific "Walker" mode.
- Walkers will not be released during inclement weather when lightning and/or high winds are present.

### **ANIMALS/PETS ON CAMPUS**

In order to maintain a safe campus environment, no private pets will be allowed on campus. Pets brought to the campus for the purpose of dropping off or picking up students must remain in the vehicle **at all times** while on campus. Only registered service dogs will be allowed in campus buildings with the approval of administration.

### **ATTENDANCE**

Florida Law requires regular attendance. A full school term for the State of Florida is 180 days for students. The nature of school choice places the responsibility for punctual attendance on each family. Students with a combination of 10 absences, tardies, or early check-outs (excused or unexcused) within a semester grading period are considered to be excessively absent and will be placed on an attendance contract. Non-compliance with the specifications of the terms of the contract may result in dismissal from The Villages Charter School.

**To Report an Absence:** Absent/tardy students must submit approved documentation verifying that the absence qualified for excused status (parent's note or doctor's statement submitted to the front office or sent via email: **Buffalo Ridge-** [vcmsbr.attendance@tvcs.org](mailto:vcmsbr.attendance@tvcs.org) ; **Middleton-** [vcmsm.attendance@tvcs.org](mailto:vcmsm.attendance@tvcs.org)) by the third class meeting after their absence; after that time, the absence will be recorded as unexcused and no documentation will be accepted at any point thereafter. The note should be dated and reflect the student's name, date of absence, specific reason for the absence, and parent signature. If absences are anticipated due to a family trip, or a scheduled event, the parent/guardian must complete the online pre-arranged absence form at least three days in advance of the planned trip so the student will be able to circulate a Pre-Approved Absence Form to teachers. The online form is located on the TVCS.org website by clicking on Middle School and then Forms/Documents/Newsletters. There will be a PDF document labeled 25-26 VCMS Pre Arranged Absence Request. Once the document is opened, click on the link provided. The completion of a Pre-Arranged Absence Request does not guarantee that absences will be excused.

**Absences:** Absences are classified as excused or unexcused, as determined by the criteria outlined below. To receive credit for missed work due to an absence, a student has the number of days absent plus one day to turn in assignments upon returning to school. It is important to note, when students return to the classroom after being absent, they are responsible for the current work being assigned in class as well as their make-up work. However, any assignment that has a previously determined due date must be observed unless arrangements have been made with the assigning teacher. Any variation of this must be approved by administration. Excused absences include:

- An illness with a note from the parent, medical or dental appointments with an appointment slip. A doctor's statement may be required by school officials.
- An incident resulting in injury to the student.
- A death in the immediate family.
- A subpoena by a law enforcement agency or a required court appearance.
- Insurmountable circumstances as determined by the principal (or designee).
- Unexcused absences include those that are:
  - not accepted as excused, i.e., vacations while school is in session.
  - caused by truancy.
  - not supported with documentation to the office within the timeline.
  - caused by disciplinary action such as suspension.

**School-Sponsored Activity:** Examples of school-sponsored activities include an academic activity directly related to the instructional outcomes of one or more courses, participation in a regularly scheduled school-sponsored athletic event, or an event that is designated as such by the Administration. If students are absent from class due to participation in a school-sponsored activity, they are responsible to make up work that is missed but the absence will not count against them.

**Check-Outs During the School Day:**

If appointments require that a student is checked out of school during the school day, **parents should avoid checking students out between 2:35 and 2:50 pm each day.** Students who return to school on the same day as they were checked out must sign in at the office before returning to class.

**NOTE:** Additional information regarding the attendance policy may be found in the VCS Disciplinary and Attendance Policy beginning on *page 25*.

## **BEFORE-SCHOOL PROCEDURES**

**STUDENTS MAY NOT BE DROPPED OFF BEFORE 6:30 AM.** Supervision will be provided beginning at 6:30 am. Students are expected to report to the designated holding area upon exiting their vehicle, with shirts tucked in, belts on with belt-looped pants/shorts, and lanyards with I.D. badge worn around the neck and visible. A limited number of Media Center Passes will be available at 7:15 each morning for students who desire to check out books.

**BUFFALO RIDGE:** At 7:50 am, a warning bell rings indicating it is time for students to report to 1st period homeroom classes. Students will be considered tardy if not in their homeroom by 7:55 am. At 7:55 am students should be seated in their 1<sup>st</sup> period class.

**MIDDLETON:** At 7:45 am, a warning bell rings indicating it is time for students to report to 1st period homeroom classes. Students will be considered tardy if not in their homeroom by 7:50 am. At 7:50 am students should be seated in their 1<sup>st</sup> period class.

## **BULLYING**

The Sumter County Bullying and Harassment Policy communicates the following definition: Bullying means systematically and chronically inflicting physical hurt or psychological distress on one or more students. It is further defined as unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school performance or participation; and may involve but is not limited to: unwanted teasing, social exclusion, threat, intimidation, stalking, physical violence, theft, sexual, religious, or racial harassment, public or private humiliation, destruction of property, cyber stalking, cyberbullying (including text messaging), and rumor or spreading of falsehoods.

Procedures for reporting alleged bullying incidents include self-reporting, peer reporting, parent reporting and/or staff reporting. In order for all students to feel that school is a safe environment, all students have immediate and private access to an electronic "Bothers Me" form that is emailed directly to the student's school counselor. This process allows students to inform administration and school counselors of students they feel are bothering them or a peer. School counselors check their email daily and meet with students to find out more about their concerns. Depending on the situation, administration may become involved. Parents are also encouraged to call or email their child's administrator with any concerns regarding alleged incidents of bullying or harassment which will result in an investigation being conducted as further outlined in the Sumter County Bullying and Harassment Policy.

Bullying on the part of any student or group of students at any time will not be tolerated. Students who bully other students will be held accountable for their actions whether it occurs on school grounds or off school grounds at a school-sponsored or approved function, activity, or event. Remember, we are all here to have an outstanding academic experience and learning to cooperate and support each other will add to the richness of our environment. Our diversity is our strength, and each one of us has a place in our school. Each student's individual talents and gifts benefit all.

## **CAR LINE-PIKMYKID**

PIKMYKID is the app being utilized for communication between school personnel and parents/guardians or designees picking up student(s). Please download and register on the PIKMYKID app. Please display your student's assigned number on your dashboard, allowing school personnel to view it and call for your student(s) by their number. PIKMYKID number cards are provided during the Orientation event and then again at the beginning of the 2nd semester. Please be on the lookout for the school personnel in the carline who will relay your student's number to be dismissed and utilize all of the space between you and the next vehicle while in the carline.

**For the Buffalo Ridge Campus**, there are two assigned locations for students to be picked up when school is dismissed:

1. Morning drop-off will be on the North side of the school through the main entrance.
2. 6<sup>th</sup> grade students report to the **EAST** side of the school by the greenhouse for pick up and pick-up designees will drive around the parking lot, following the drive to the pick-up area.
3. 7<sup>th</sup> grade and 8<sup>th</sup> grade students will report to the **North** side of the school for pick up through the main entrance.

**For the Middleton Campus**, there are three assigned locations for students to be picked up when school is dismissed.

1. 6<sup>th</sup> grade students report to the **southwest** side of the school for pick up. This pick up area is in front of the fine arts and middle school gymnasium.
2. 7<sup>th</sup> grade and 8<sup>th</sup> grade students will report to the front, southeast side of the school for pick up.
3. Any student riding a bike or walking will exit through the front, southeast side (7th/8th grade carline), southwest side (6th grade carline), or elementary pickup area, after checking out with a designated staff member.
4. 6th-8th Grade Middleton Students participating on VHS athletic teams will exit through the 7/8 carline and walk to the front of the building and cross with the crossing guard to the center median and proceed toward VHS. Students not participating in VHS Athletics may NOT walk to VHS.
5. For students who have a parent or guardian employed at VHS: 6th-8th Grade Middleton Students walking to VHS who do not have a K-5 sibling, will exit through the 7/8 carline and walk to the front of the building and cross with the crossing guard (2nd Buffalo Gathering spot) to the center median. Those who do have K-5 sibling(s) will meet their sibling(s) at the 3-5 carline area and will exit the building together through the K-2 carline exit. They will walk to the front of the building and cross with the crossing guard (2nd Buffalo Gathering spot) to the center median.
6. All students, including walkers and bicyclists, must be dismissed using the PikMyKid application.

**NOTE: BUFFALO RIDGE and MIDDLETON** - 7th and 8th grade students who have a 6th grade sibling must report to the 6th grade car line.

It is extremely important that students and parents follow car line procedures to ensure the safety of students. Students are expected to remain in 7th period classrooms until their PIKMYKID number appears on the screen and the teacher dismisses the student to their carline. Students should arrive at their car line, look for their vehicle, cautiously proceed to their pick-up vehicle, and get into the vehicle. Pick-up designees may pull away as soon as traffic clears in front of them.

## **CELEBRATIONS/REWARDS**

The Villages Charter Middle School provides several opportunities to recognize students. Students should make sure their choices allow them to participate in these exciting celebrations.

➤ **End of Year Awards**

- o **Assemblies** - On the final day of school, award assemblies will be held for each grade level. The eighth grade award assembly will include recognition of promotion to high school. Parents are invited to attend, however not every student will be receiving an award. Awards include, but are not limited to: citizenship, honor roll, perfect attendance, and various community awards.
- o **Classroom Awards** - Teachers will select students to receive classroom awards including the Shining Star award and the Buffalo Fitness Award.

- **Quarterly Honor Roll Rewards** - Quarterly rewards will be given in recognition of academic accomplishment and maintaining our Core Values. Students who earn this recognition every quarter will be recognized in their grade-level end of year award assembly.

## **CELL PHONES AND ELECTRONIC DEVICES**

Electronic devices include but are not limited to the following: Mobile Phones, Smart watches or glasses, Bluetooth-enabled headphones or earbuds, IPODs, Laser Pens/Pointers, and hand-held games. It is recommended that students not bring cell phones and other electronic devices to school due to the possible risks of being lost or stolen. Use of these items during the school day is **prohibited** except as noted in the VCS Personal Device Agreement beginning on *page 28*. Inappropriate use of any electronic device will result in confiscation of the device as well as appropriate consequences. If students and their parents permit any of these items to be brought to school, upon arrival, they are to be **powered off and placed in the student's backpack throughout the school day**. Students with a mobile phone, smart watch, Bluetooth-enabled headphones/earbuds, or smart glasses **visible**, should expect to have the device confiscated and receive a Level 1 mark on the Classroom Behavior Management Plan. If a student is **using** a mobile phone, smart watch, Bluetooth-enabled headphones/earbuds, or smart glasses, it will result in a disciplinary referral to administration as a Level 2 infraction. Repeated offenses will result in elevated disciplinary consequences. If a student is using any electronic device in an inappropriate manner, administration has the right to investigate the potential violation of school rules. Students are NOT allowed to use earbuds/wireless headphones. Parents may pick up confiscated devices from the school office at the end of the school day **before 4:00 pm** or from Buffalo Adventures after 4:00 pm.

## **CHEATING/PLAGIARISM**

Cheating includes buying, stealing, or otherwise obtaining unauthorized copies of tests or assignments for the purpose of improving one's academic standing. During tests, quizzes, or in-class work, cheating includes having unauthorized information, and/or referring to unauthorized notes or other written or electronic information. Copying from others and/or providing information, either during quizzes, tests, or in the preparation of homework assignments, is a form of cheating. Students acting dishonestly or in violation of the established expectations are also examples of cheating.

Plagiarism is the act of presenting ideas, words, or organization of a source, published or not, as if they were the writer's own. All quoted material must be in quotation marks, and all paraphrases, quotations, significant ideas, and organization must be acknowledged by some form of documentation acceptable to the instructor for the course. Plagiarism also includes the practice of employing or allowing another person to alter or revise work that is submitted as original. This would also include printing out actual web pages and turning them in as original work. Students are encouraged to discuss assignments amongst themselves or with the teacher, but when the actual material is completed, the student must complete it independently. Plagiarism includes the use of any artificial intelligence (AI) programs, such as ChatGPT, to generate answers, ideas, or words that are presented as a student's original work.

All academic work, written or otherwise, and submitted to a teacher, is expected to be the result of original thought, research, or self-expression. If there is doubt about the authenticity of work, clarification should be obtained from the teacher prior to completing and submitting assignments. Consequences for cheating or plagiarism will result in a zero for the assignment and a referral to administration for assignment to In-School Suspension.

### **CLINIC/ILLNESS/INJURY/MEDICATION**

Students who begin feeling ill during the school day must ask their teacher for a clinic pass before proceeding to the school's main office. Upon arrival, the student's needs will be assessed and addressed. Students will receive appropriate attention resulting in a return to class or a call to parents to go home.

**Prescription medication and over-the-counter medication must be brought to the office by a parent or guardian and must be in its original container with the original label or pharmacy label intact. A medication form must be filled out and kept in the office before medication may be administered. The school nurse will notify teachers of student medication schedules. Students may NEVER share any type of over-the-counter or prescription medication. All schools need up-to-date health information regarding allergies, asthma, seizures, etcetera and current telephone numbers provided by parents using the Skyward database.**

**Essential oils are concentrated liquids containing volatile aroma compounds from plants. An oil is "essential" in that it carries a distinctive scent, or essence, of the plant. The problem that schools have with these oils is that they are not regulated by the FDA and are not prescribed by physicians.**

**According to Florida School Health Administrative Guidelines, since the ingredients of non-regulated herbal or "natural" substances are often not clearly delineated, it is recommended that school districts refuse to allow school personnel to administer such substances during the school day. Parents may be permitted to come to school and administer such substances to their children unless the scent from these remedies triggers an asthmatic or allergic reaction to other students or staff in the school. Parent administration of such substances (i.e.; essential oils, or creams and lotions containing essential oils) will be at the discretion of clinic personnel due to the safety of students and staff. Essential oils cannot be kept in the clinic or in the student's possession.**

**Students with allergies:** For all students with allergies, we require that the allergies be noted in Skyward and completed for each student every school year. The parent/legal guardian should also contact the clinic staff within the first week of school, and the school will provide a planning form to be completed by the child's doctor/certified healthcare provider. The plan will outline the specific allergies and the

action steps/medication to be given if they are exposed to any of these allergens. It is very important to keep the school up to date on any changes to students' medical conditions so the best care may be provided.

### **DETENTION**

One of the consequences students may receive as a result of poor choices includes assignment to after-school detention. Any VCMS employee, including Teacher Assistants and non-instructional faculty, may issue a detention. Students are issued an Assignment to Detention form listing their infraction as well as the assigned date and time of the assigned detention. Students are expected to take the form home in order to obtain a parent/guardian signature and return the signed form to the faculty or staff member who assigned their detention the day after receiving the form. **If the signed form is not returned the next day, the student will be assigned an additional day of detention.** Students who do not attend their assigned detention(s) will receive a referral to administration and may be assigned to In-School Suspension. Detention assignments will be rescheduled for students who are absent from school on the day of their assigned detention as well as for student athletes who are scheduled to compete in an interscholastic game with their team. Students are limited to six detention assignments in each marking period. Students receiving multiple detentions may be placed on a referral to administration only status.

### **Shoes**

Middle and high schools require a **closed toe shoe with a closed back or a strap around the back ankle**. Flip flops, slippers, or sandals are **NOT** permitted.

**To ensure that all students meet our high expectations, Administration reserves the right to determine if any part of a student's physical appearance is a distraction to the learning environment.**

- Inappropriate graphics will not be tolerated.
- Tops must cover the chest, midriff, stomach and hip areas.
- Sleeveless tops are not permitted.
- No hats of any kind - unless a specific reward day to include hats is announced to students.

## **EXTRA-CURRICULAR ACTIVITIES**

VCS encourages students to participate in extra-curricular activities allowing for exploration of extra educational, leadership, socialization, and volunteer opportunities. It is believed that when students participate in athletics, school clubs, and/or organizations, they are more likely to have a good sense of confidence, self-esteem, and school spirit, which all contribute to a positive school experience.

In order to participate in extracurricular/co-curricular activities or athletic programs, students must adhere to school board policies, school-based criteria, and applicable law. It is important for students to understand that the behavioral expectations placed upon them by the school can extend beyond the classroom and school campus. Pursuant to Florida Law, the school board has the authority to withhold participation privileges from students.

With this in mind, any student who has been formally charged with a felony or similar offense by a prosecuting attorney shall be excluded from participation in extracurricular/co-curricular activities and athletics for a minimum of one calendar year. If the student is not found guilty or if the charges are dismissed, the student may return upon presenting documentation of the court's decision.

Any student who has committed a level III hazing offense shall be excluded from participation in extra-curricular/co-curricular activities for a minimum of one calendar year.

The Villages Charter School has established student eligibility standards and related student disciplinary actions regarding student participation in extracurricular/co-curricular activities. These eligibility standards are included in the Code of Conduct for Athletics that is provided to each participating athlete. Please refer to the Athletics webpage on the VCS Middle School website for tryout dates and further information regarding available sports during each season.

Interscholastic athletic opportunities are governed by the FHSAA and the Citrus/Sumter County Middle School conference in which VCMS athletes participate. Academic eligibility requires that student athletes earn a Grade Point Average (GPA) no lower than 2.0 for each marking period. Students must meet the minimum GPA eligibility requirement in order to participate as of the first day of tryouts. If students begin a season meeting the GPA eligibility requirement and then post a GPA lower than 2.0 at the next marking period, the student will be removed from the team as no longer eligible.

**Students must be in attendance at a minimum from 11:30 am and complete the school day in order to participate in a school-sponsored event on the same day.**

### **Student Clubs and Organizations**

For information on school clubs please visit the VCMS school website at [www.tvcs.org/academics/middle-school/student-organizations/](http://www.tvcs.org/academics/middle-school/student-organizations/)

## **FIELD TRIPS/SCHOOL-SPONSORED ACTIVITIES**

Field trips may be planned as extensions of class activities. Student conduct and choices throughout the year will determine eligibility to attend these exciting activities. In some cases, the parent/guardian may be asked to personally chaperone as a condition for participation. A disciplinary referral or a failing course grade is cause for ineligibility to attend a field trip or participate in a school-sponsored activity. Students are considered ambassadors of The Villages Charter School and ultimately of The Villages. Student behavior is a direct reflection on classmates, teachers, and our school. Our high standards do not stop at the school doors, but follow students as they represent us. This includes attending a field trip, during extra-curricular activities, listening to a guest speaker at our school, attending or participating in sporting events or other competitions. Please remember that proper behavior is critical to attending future field trips; if a student makes a poor choice while out of the school building, parents will be called to come and pick up their child. Students must have an official, signed permission form and have paid all fees required for the trip, prior to participating in any field trip.

When attending school-sponsored activities, on-campus or off-campus, students will be governed by the authority of school personnel. Failure to comply with school rules and regulations or failure to obey instructions of school personnel may result in consequences as outlined in the VCS Disciplinary Policy.

## **GETTING THE NEWS**

The Villages Charter School has a website: [www.tvcs.org](http://www.tvcs.org). This interactive website contains information about the campus, as well as a “Teacher Connection” link that will keep parents and students informed about events and activities in each class. All teachers utilize Google Classroom and will provide an embedded calendar on the “Teacher Connection” page to help parents and students keep track of assignments and due dates. Each teacher page lists their email address. If students or parents choose to send an email, please enter “student” in the subject line of the email. SKYWARD is an excellent source of academic information for students and parents. Parents may want to consider obtaining the SKYWARD app and the ParentSquare app for smartphones which parents have reported as being very user-friendly. ParentSquare is the preferred method of communication from the school. Important information from the school, teachers, and coaches will be shared with parents through ParentSquare. Current information on field trips and special events will also be available for most trips. Use of these tools will keep parents and students informed about campus life. Students are encouraged to share this important information with parents.

## **HALL PASSES**

Students must utilize the digital hall pass system, SmartPass, when leaving the classroom for emergency restroom use, the media center, the clinic, or the main office. Restroom breaks should occur during class changes to minimize impact on instructional time. Restroom passes during class time are for emergency situations only and are issued at the discretion of the classroom teacher. If the teacher’s permission to leave class is abused, teachers will communicate the concern to parents and students may receive documentation to administration for disciplinary action, resulting in the loss of the privilege of hall passes for a specified time.

**NOTE:** Only four students should be in the restroom at a time. If the restroom is at capacity, students should form a line outside of the restroom. Students not following this procedure are subject to disciplinary consequences.

## **HOMEWORK**

Homework is a planned extension of school activities into the home. Its purpose may be to reinforce important facts or skills or to enrich a subject. The standard used to determine the appropriate amount of time spent on homework or studying each night is 10 minutes per grade level, i.e., 6<sup>th</sup> grade = 60 minutes and 8<sup>th</sup> grade = 80 minutes. When a teacher assigns homework, it will be for instruction and not as punishment.

**NOTE:** Our belief is that high expectations produce high results; therefore, practice assignments turned in 1 day late will be accepted for a maximum of 60% and those turned in 2 or more days late will receive a zero. Mastery assignments must be completed, however, a late penalty may be applied.

## **INTERNET USAGE**

The internet can be a vast source of information and we are pleased to be able to provide access to students. All internet access throughout The Villages Charter School is monitored at all times. Access to the internet is provided for school usage, and, therefore, it is expected that students utilize it in a businesslike manner. The following internet activities will not be tolerated:

- Shopping; gaming; chat rooms; instant messaging; accessing non-school email.
- Access of websites or information that is vulgar, profane, rude, offensive, sexually implicit or explicit in nature.
- Using another person's password, files, or directories.
- Any use which would reflect poorly on The Villages Charter School.

**The Villages Charter School reserves the right to restrict access to the internet, as well as to restrict access to specific sites on the internet. If a student is found to be abusing the privilege of internet access, access will be suspended immediately. Depending upon the reason for the suspension, further disciplinary action may be taken. For further information about appropriate usage of school-issued Chromebooks and Google Suite accounts, please refer to the VCS Chromebook Device Usage Agreement on page 22.**

## **LUNCH/SNACKS (Including Breakfast)**

Breakfast and lunch are a valued part of any school day. A La Carte items as well as a second lunch are available for purchase each day in addition to the regular school menu, which will be provided at no cost to the student. Menu selections are posted on the school website each month.

Classes will be assigned tables and students are expected to clean up after themselves before leaving the cafeteria. The following behavior expectations are in place for the cafeteria:

- Stand in a straight, quiet line and respect personal space,
- Be courteous of cafeteria staff, teachers, and volunteers,
- Use indoor voices and sit at assigned tables only unless permission is given by teachers or administration to sit elsewhere,
- Do not play with food, utensils, trays, or toys,
- Do not share food, ask others to buy food, or touch another student's plate,
- Clean up the entire area, including what is spilled on the floor, at the end of lunchtime,
- Do not take anything out of the cafeteria except bottled water that has been purchased,
- Highly caffeinated drinks such as energy drinks are not permitted at school.

Students are permitted to bring a **healthy** snack item in their backpack to school to eat at a designated time as determined/permitted by their **3<sup>rd</sup> period teacher**.

Due to severe food allergies and food sensitivities in many students, as well as the potential harm in undiagnosed cases, parents may only bring food items to the school for their child(ren).

**No food or candy items are permitted outside the cafeteria. Bottled water (no additives) is the only acceptable beverage allowed in classrooms and hallways. Students caught chewing gum will receive an immediate assignment to after-school detention.**

### **MEDIA CENTER**

Students are encouraged to take excellent care of all textbooks and library books. When students are assigned a book or borrow one from the media center, it is their responsibility to make sure it is returned to the school in the same condition. If it is not, the student will be required to reimburse VCS for the full value of the book so the book may be replaced. Students are permitted to check out up to two (2) books at a time and may keep them for up to two (2) weeks. Students with overdue books will not be allowed to check out additional books. The following policies have been established to encourage students to demonstrate the core value of stewardship as they use media center resources:

- A book may be renewed by bringing the book to the media center.
- Students will be charged a fine for all overdue books at the cost of 5¢ per book per day.
- If a student renews their book or turns it in on or before the due date, the student will not have a fine.
- There is a FIVE-day grace period after the due date.
- Students **may not** check out books until overdue books **or** unpaid fines over \$1.00 have been cleared.
- A computer printer for black/grayscale printing for school purposes only is available.

#### **Book Check-Out Procedures**

In order to check out a book, students must complete a digital pass with their teacher's permission to go to the Media Center from their assigned teacher. Students may check out books before school starting at 7:15 with a Media Center pass provided by the morning supervisors in the gymnasium or the cafeteria. After eating lunch, students may also take advantage of passes to go to the Media Center and check out a book. Students may check out books after school until the Media Center closes for the day. Please check the Media Center webpage for more specific information.

### **MULTI-TIERED SYSTEM OF SUPPORTS (MTSS)**

The Villages Charter School implements an evidence-based Multi-Tiered System of Supports (MTSS) so that all students' educational and mental health needs are met and are provided with proactive, timely and evidence-based interventions. A three-tiered Problem-Solving/Response to Intervention (PS/RtI) approach under the umbrella of the MTSS framework is implemented for students that require varying levels of support beyond what is provided in the core curriculum.

## **POLICY OF SEXUAL HARASSMENT**

Sexual harassment occurs when one person (student, adult, staff, or teacher) subjects another person (student, adult, staff, or teacher) to any unwelcome conduct of a sexual nature on school property or at a school-sponsored event. Anyone who engages in such conduct or falsely accuses another of similar conduct will be subject to a range of punishments up to and possibly including dismissal from our school. Sexual harassment is illegal under both state and federal laws. In some cases, the individual may be susceptible to prosecution under the criminal sexual conduct laws.

Examples of sexual harassment may include but are not limited to the following: verbal harassment or abuse of a sexual nature; subtle pressure for sexual activity; repeated remarks to a person with sexual or demeaning implication (for example, a person's body, clothes or sexual involvement, accompanied by implied or explicit threats; display of sexually suggestive objects, pictures or written materials). It is the student's responsibility to report any forms of harassment, no matter how apparently minor, to any school personnel. School personnel will then report to the Administration to initiate a formal investigation process. The outcome of the investigation will be shared with all parties associated with the event and their parents, if applicable.

## **PUBLIC DISPLAYS OF AFFECTION**

The Villages Charter School is an institution of learning. As such, public displays of affection including, but not limited to, holding hands and kissing are not permitted. Students who violate this policy should expect disciplinary consequences.

## **REPORT CARDS**

It is important that students are aware of their progress in every class and should know what their approximate grade is at all times. Parents and students unsure about grades are encouraged to make use of SKYWARD, the web-based online gradebook to check on academic progress as well as speaking with their teachers.

### **Grading Period Ends:**

## **STUDENT TRANSFER PROCESS**

Thirty (30) days prior to the beginning of each semester, The Villages Charter School will post a list of the out-of-field teachers on its website. A parent whose student is assigned an out-of-field teacher may request that his or her child be transferred to an in-field classroom within the school and grade in which the student is currently enrolled. Any parent may request his or her child, with an out-of-field teacher, to be transferred to another classroom teacher once during a school year. The request must be made in writing and given to the school principal. The parent does not have the right to select the specific classroom teacher. These requests may not put a classroom over the state mandated class size. The principal must approve or deny the transfer within two weeks after receiving the request. If the request is denied, the principal must notify the parent and specify the reasons for denial.

## **SUSPENSIONS**

There are two different types of suspension: In-School (ISS) and Out-of-School (OSS). If a behavior choice results in being assigned ISS, students will receive an ISS Instruction and Assignment form. Instructions for students are provided on the ISS Instruction and Assignment form. Failure to follow these instructions will result in further disciplinary action. ISS days do not count as absences. **The ISS Instruction and Assignment form is the responsibility of the student. If a student misplaces or chooses not to ask their teachers to fill in their form, there will be additional consequences.**

Students may be assigned ISS for reasons including, but not limited to, failing to attend assigned after-school detention or as the consequence for a disciplinary referral. If a behavior choice results in being assigned OSS, parents will be notified of the suspension day(s) and scheduled to meet with administration to sign a Behavior Contract for their child. Students may be assigned OSS for reasons including, but not limited to, failing to follow ISS instructions, gross disrespect to staff, fighting, or vandalism. Students are limited to four (4) ISS assignments each semester and additional infractions may result in OSS and a Behavior Contract at the discretion of administration.

### **The Villages Charter School (VCS) Chromebook Device Usage Agreement**

The Villages Charter School (VCS) has committed to a multi-year timeline of issuing a technology device to every student, a project referred to as the VCS 1:1 Initiative. VCS believes that technology integrated into effective instructional practices will support students and staff to grow as creators, contributors, and empowered, connected learners so that each person is prepared to achieve a lifetime of personal success. Providing and issuing Chromebooks for instructional use by VCS students is an important part of our school's instructional program. The student will use the device every day to support and guide his or her learning. Certain guidelines are necessary to protect the Chromebook and the school network. These guidelines are also in place to ensure that this technology serves as an effective instructional tool. The student will be provided with one VCS issued Chromebook and one VCS issued charger. Before being issued a device, students and their families must participate in an orientation process and agree to the following terms and conditions.

#### **Computer Loan Agreement (Google Chromebook)**

- The student and parent will understand and sign the Acceptable Use of Technology Resources policy when given.
- The student agrees to follow all VCS regulations and policies governing the use of the Chromebook as well as all applicable State and Federal laws including copyright and intellectual property law pertaining to software and information.
- The student is responsible at all times for the care and appropriate use of the VCS issued Chromebook and charger.
- The student must adhere to these terms each time the device is used, including when it is not on school grounds.
- The student agrees to use the school-issued device and account for SCHOOL-RELATED PURPOSES ONLY.
- The student shall not remove or alter any VCS identification labels attached to or displayed on the Chromebook.
- The student will not deface the device or adhere stickers or other markings to the Chromebook or protective case.
- The student agrees to ensure the device is kept secure and safe.

- The student agrees to handle the device carefully and protect it from potential sources of damage.
- The student must report theft (or suspected theft), loss, damage, or malfunctioning of the Chromebook to school personnel immediately.
- Upon request, the student agrees to deliver the issued Chromebook to VCS staff for technical inspection or to verify inventory or other information. The student will provide their Chromebook for inspection by any school administrator or teacher of any messages, communication, or files sent or received on any VCS-issued device and account including, but not limited to, the issued Chromebook.
- The student will bring the issued Chromebook fully charged to school every day.
- The Chromebook and all data on the Chromebook are the property of VCS. All such issued Chromebooks chargers shall be returned to VCS prior to the student's withdrawal from the school. Failure to return all VCS issued Items will result in the replacement cost charged to the student's account.
- VCS may install apps or extensions on the Chromebook at any time to ensure the safety and security of VCS equipment and to maintain a productive learning environment for all students. The student may not attempt to delete or modify these apps or extensions in any way.
- The student may install only VCS approved apps or extensions.
- The VCS network is provided for the academic use of all students and staff. The student agrees to take no action that would interfere with the efficient, academic use of the network.
- The Chromebook utilizes a proxy service that directs any online activity through our school's web filter. The filtering process collects web URLs and search activity for all traffic generated by the Chromebook regardless of the physical location of the device.
- The student acknowledges that his/her use of VCS equipment is a privilege.
- The student has been assigned a Google Suite for Education (G Suite) account with specific privileges and capabilities. The account is intended for the exclusive use of the student to which it has been assigned. The student may not attempt to change or allow others to change the privileges or capabilities of this account. The student may not attempt to add, delete, access, or modify other user accounts.
- By agreeing to these terms the student acknowledges his/her responsibility to protect and safeguard their G Suite account, Chromebook, and charger at all times and to return the equipment in good condition and repair.
- Failure to abide by any of the terms may result in loss of privileges and/or disciplinary action as determined by the administration.

### **Google Suite for Education (G Suite) Accounts**

VCS offers all students a G Suite account to use on a variety of school-related projects. G Suite provides a variety of online collaboration tools including productivity software, shared calendars, website authoring tools, and internal email. Student accounts may include Drive, Docs, Sheets, Slides, Drawings, Classroom, Contacts, Gmail, Sites, Calendar, YouTube, Maps, Takeout, and Earth. Email, if available to your student, can only be sent to or received from others with school accounts. The charter school believes that learning to use these types of tools in safe and productive ways is essential in preparing students for a lifetime of personal success.

Student technology use, including the use of G Suite accounts, is subject to school board policy and any local, state, and federal laws. Two specific federal statutes are worth noting in regards to G Suite:

- Children's Online Privacy Protection Act (COPPA): COPPA applies to commercial companies and limits their ability to collect personal information from children under 13. By default, advertising is turned off for all VCS G Suite accounts, and no personal student information is collected for commercial purposes. This permission form allows the school to act as an agent for parents in the collection of information within the school context. The school's use of student information is solely for educational purposes. For more information about COPPA, please visit <http://www.ftc.gov/privacy/coppafaqs.shtm>
- Family Educational Rights and Privacy Act (FERPA): FERPA protects the privacy of student education records and gives parents the rights to review student records. Any information relating to the student's G Suite account is subject to FERPA rules and regulations. For more information about FERPA, please visit <http://www.ed.gov/policy/gen/guid/fpco/ferpa>

---

In addition, the following guidelines apply to all student G Suite accounts.

- Official Email Address: Students will be assigned an email account through G Suite that ends in @TVCS.org. This account will be considered the student's official VCS email address. Students can only send and receive emails with other students and teachers within the @TVCS.org domain for school-related purposes only. They cannot send or receive any email outside of our domain.
- Conduct: VCS Core Values apply to all students when using technology. Staff may establish additional expectations for the use of technology depending on their instructional objectives, and students are required to follow the terms and protocols outlined by the teacher. Technology should never be used in a manner that disrupts the educational environment.
- Access Restriction: Access to and use of G Suite accounts is considered a privilege accorded at the discretion of VCS. VCS maintains the right to immediately withdraw access to the account if there is reason to believe that violations of law or policies have occurred. In such cases, the alleged violation will be referred to the building administration for investigation and/or disciplinary action.
- Security: VCS cannot, and does not, guarantee the security of electronic files located on Google systems. Although Google does have a powerful content filter in place, and VCS maintains a comprehensive web filter for all student internet traffic, The Villages Charter School cannot assure that users will not be exposed to non-educational materials. Families are encouraged to report any suspicious online activity to VCS for review.
- Privacy: VCS reserves the right to access and review content in a student's G Suite account at any time. VCS complies with all student privacy laws.

As with any educational endeavor, a strong partnership with families is essential to a successful learning experience, and VCS welcomes any comments, questions, or concerns about G Suite.

### **Technology Fines**

The family and student will assume the risk of loss by theft, destruction, or damage. Devices reported as stolen outside of school require parents to notify the police and provide a copy of an official police report to the school administration. Under no circumstances should a student, parent, guardian, etc... attempt to repair a damaged device or pay for the device to be repaired by an agency other than VCS. If you have any questions or concerns regarding technology fines, please contact the building administrator. All actual costs for repair or replacement will be charged as follows:

- Full price of repair or replacement for a damaged device and charger.
- Full replacement cost for lost/stolen device, including the charger.

### **1:1 Permission Form**

After reviewing the Computer Loan Agreement, the Google Suite for Education (G Suite) Account information, and the Technology Fines; complete the form below to finalize the student's participation in the VCS 1:1 Initiative. If you have any questions about the VCS 1:1 Initiative, please contact the building administrator.

### **The Villages Charter School (VCS) Disciplinary & Attendance Policy**

The design of the VCS Disciplinary Policy enables consistent and uniform enforcement of its provisions. The Administration is responsible for determining the level of the offense as well as determining the appropriate consequence. In all disciplinary actions, the appropriate level of due process shall be observed.

The factors to consider prior to corrective measures being taken include, but are not limited to:

- Seriousness of offense
- Premeditation or impulsiveness
- Strength of evidence
- Cooperation or remorse
- Disciplinary history
- Age or disability

All students will be held accountable for their behavior during all aspects of the school day, including Buffalo Adventures and any other school-sponsored activity. Any behavior occurring off campus requiring law enforcement action is expected to be reported to school officials so that a full circle of support and an action plan can be created. If the behavior is deemed to be of a nature as to not maintain respect for all stakeholders of VCS the student may be asked to return to their home school.

**CONSEQUENCES** Students are faced with a barrage of choices each day. These choices come with consequences, good or bad. In an effort to provide the best environment for learning to take place, it is anticipated that everyone will behave and abide by the expectations previously stated. When students make choices that do not follow school rules, appropriate consequences will be assigned. The consequences may include, but are not limited to:

- **Conferences** – Conferences are scheduled meetings that will serve to inform all stakeholders of behaviors and possible solutions.
- **Contracts** – An agreement between the school, the student and the student's family identifying the future possible dismissal of the student if specified requirements are not met. Contracts are used to improve behavioral choices as well as attendance (including tardies and early check outs).
- **Detentions** – Detentions will be scheduled before or after school. Students will not be admitted late into detention. If students are late or do not show up for detention they will have additional consequences assigned. Students will work on academic or behavioral assignments. Detention may also include campus maintenance activities.
- **Felony Transfer** –The Villages Charter School has the ability to deny access to our educational system based on felony charges from the Judicial System.
- **In-School Suspensions** – Students will be in a supervised area and be expected to be on task with assigned school work at all times during the day. Full credit will be given as earned for completed work. Failure to attend or comply with all rules during in-school suspension will result in additional disciplinary action.

- **Loss of Privileges** – The Administration has the authority to exclude students from participating in school-related activities if the conduct at school or outside of school, is deemed unacceptable. The period of time is to be established by the Administration.
- **Out-of-School Suspension** – Students are not to be on school property on the day(s) assigned and this/these absence(s) will be considered unexcused (please see attendance policy). This includes any sporting, extra-curricular, or other after-school activity. All schoolwork missed while serving an out-of-school suspension is due the number of days out of school plus one.
- **Restitution** – Students will restore or pay for damaged or stolen property.
- **Saturday School** – The session runs from 8:00 a.m. – noon. Students will not be admitted late into Saturday School. If a student is late or does not show up for Saturday School, further consequences will be assigned. Students will be participating in a variety of activities and must complete the entire scheduled day. Some of the activities include completion of homework, reading, and campus maintenance.
- **Temporary Removal from Setting** – Students will be removed from an academic setting for a specific amount of time to be established by the Administration.
- **Work Detail** – Students will be assigned age appropriate work on the school campus as determined by the Administration.

If students are referred to the office for behavioral choices, the following events will occur to ensure that they are treated fairly and that an appropriate consequence is decided upon and carried out:

- Students will be given the opportunity to explain their behavior.
- If additional information is needed, it will be obtained in the most efficient manner possible.
- The Administrator will evaluate the severity of the infraction and associated corrective measures outlined in the disciplinary policy.
- Parents will be notified verbally as well as provided a copy of the discipline referral. In order to maintain timely and efficient communication with parents, school personnel rely on the provision of current and accurate phone numbers including cell, home, and work phone numbers and email addresses. Emergency contact forms are provided at the beginning of each year and should be updated as needed throughout the course of the year.

Students' individual needs will be considered and appropriate actions will be taken to ensure the integrity of the school and learning environment are protected. The disciplinary policy is created to address each situation as unique and to determine actions that will deter the behavior from repeating itself. The listing below is grouped in levels, with the minor levels listed first.

The level of the infraction and the corresponding and appropriate corrective measure is coded according to the Sumter County Schools Conduct Report from PP-SR-004 for Elementary and PP-SR-037 for Secondary.

Multiple Level III infractions may result in dismissal from The Villages Charter School. The Director of Education of The Villages Charter School has the authority to dismiss students for cause including, but not limited to, failure to maintain eligibility per Board policy or failure to comply with school rules and regulations that are found in the VCS Disciplinary & Attendance Policy. Dismissal and re-enrollment of students who have been previously dismissed or have withdrawn from school is at the discretion of the Director of Education of The Villages Charter School after consultation with the building principal. Additionally, the building principal and the Director of Education may deny enrollment to new students

based upon a review of their discipline & attendance records from their previous school using the VCS Disciplinary & Attendance Policy as a guide. Any previously dismissed student, who is approved for re-enrollment will automatically be placed on a behavior and/or attendance contract. An appeal of any dismissal of a student may be made to the Board of Directors of The Villages Charter School, Inc. by written request within ten (10) days of the dismissal date.

Sumter County School Board will be notified when dismissal of a Sumter County student occurs as a result of discipline infractions. All appropriate discipline documentation will be forwarded to the receiving school when applicable.

## **ATTENDANCE POLICY**

Florida Law requires regular attendance. A full school term for the State of Florida is 180 days for students. The nature of school choice places the responsibility for punctual attendance on each family. Therefore, students with excessive absences, including tardies and early check-outs, will be held accountable and action may be taken by the Attendance Review Committee. The makeup of the Attendance Review Committee at the direction of the Director of Education may include the principal (or designee), the vice-principal, the student's counselor, and a teacher of the student.

Absent/tardy students must submit approved documentation verifying that the absence qualified for excused status (parent's note, doctor's statement, or email from parent or doctor) by the third class meeting after their absence; after that time, the absence will be recorded as unexcused and no documentation accepted at any point thereafter.

To receive credit for missed work due to an absence, a student must turn in assignments upon returning to school within the number of days missed plus one day except as noted under the Consequences section of the Disciplinary Policy. However, any assignment that has a previously determined due date, that due date must be observed unless arrangements have been made with the assigning teacher. Any variation of this must be approved by the administration.

The function of the committee will be to determine what further action is warranted after reviewing the student's attendance record. Further action that may be deemed appropriate could be the initiation of an Attendance Contract, demonstration of mastery of the course material by passing the semester exam with a 75% or better, and/or other actions. The committee will be responsible for the execution of the Attendance Contract should the student fail to meet the contract requirements.

Students with a combination of 10 absences, tardies, or early check-outs (excused or unexcused) within a semester grading period are considered to be excessively truant and the Attendance Review Committee will convene and may initiate an Attendance Contract. Non-compliance with the specifications of the Attendance Contract will result in dismissal from The Villages Charter School.

At The Villages High School, if a student receives 10 or more excused or unexcused absences in any class during a semester, the student will be required to pass semester exams with a minimum of 75% in order to prove mastery and receive appropriate credit for the class.

## **TARDINESS/EARLY CHECK-OUTS**

Criteria for an excused tardy include tardies for religious instruction or a religious function, tardiness due to sickness, injury, court appearance, or any other insurmountable condition as determined by the principal (or designee). Students who are tardy must bring in approved documentation verifying that the tardy qualifies for excused status (parent's note, doctor's statement, subpoena, etc.) by the next day after the tardy to school; after that time the tardy will be recorded as unexcused and no documentation will be accepted at any point thereafter. When the student arrives at school after the start of the school day, the student must report to the school office. An Admit Slip will be issued at which time the student will report to class to begin activities for the day. In middle and high school, students will be marked absent for any class in which they miss the entire class period and tardy to the class that is entered after the bell has rung.

### **Elementary**

The school will monitor all attendance marks, including absences, tardies, and early check-outs. Upon the 8<sup>th</sup> attendance mark, the parent may be contacted for help in finding a solution for better attendance. If the issue is not corrected and attendance marks continue, then at the 10<sup>th</sup> mark, the attendance committee will meet to decide if an attendance contract needs to be initiated.

### **Secondary**

Each classroom teacher will monitor unexcused student tardiness/early check-outs from the 1<sup>st</sup> through the 9<sup>th</sup> occurrence and assign appropriate and natural consequences that may include, but are not limited to, forfeit of daily bell ringer points, after-school detention, removal of points for class participation, and parent contact. On the 10<sup>th</sup> occurrence of an unexcused tardy, the teacher will submit a referral to administration for further consequences.
