

Important Instructions for Next School Year

Enclosed you will find paperwork and instructions needed for medication administration for next school year. The paperwork provided is based on your child's needs from this school year.

Please complete paperwork and have necessary documents signed by your child's health care provider over the summer break, if possible. Completed paperwork and medication can be brought to school on orientation day so that it can be processed to be ready and available for your child on the first day of school.

NO MEDICATION WILL BE ACCEPTED WITHOUT ALL COMPLETED PAPERWORK.

Additional paperwork is available online at **tvcs.org**.

- Click on Administration
- Click on forms and documents
- Scroll down to All Schools/ Medical
- Find the document you need

If you have questions, I will check my email periodically during the summer.

Joy.Shumate@tvcs.org

Thank you and have a great summer.
