

PARENT P.I. BOOK *Opportunity*

What Are Parent PI Books?

Parent PI Books are a fun and flexible way for parents to earn informational hours while learning and growing alongside their children!

Our Parent Involvement (PI) Reading Program has become one of the most exciting parts of our parent community. Each school's Media Center offers a special collection of parenting books designed for your child's age group – ready for you to check out, read, and enjoy.

Once you finish a book, simply take a PI Book test. Score 60% or higher, and you'll earn 2 informational Parent Involvement hours added straight to your account!

All PI book tests MUST be taken in person at your child's Media Center.

How It Works

PICK A BOOK

Choose a title from your child's grade-level section in the Media Center.

CHECK IT OUT OR READ OR LISTEN YOUR WAY

Stop by during Media Center hours – or contact the staff to reserve a book. Enjoy the book in any format – paperback, eBook, or audiobook (via your Kindle, Audible, or Amazon account).

TAKE THE TEST

Once you're ready, schedule your test with the Media Center. All tests MUST be taken in person at your child's Media Center.

EARN YOUR HOURS!

Score 60% or higher to receive 2 informational hours credited to your Parent Involvement account.
